

The EAST END COMMUNITY CLUB is reaching out to all residents (and businesses) of the 06705 zip code in our quest to make the East End of Waterbury a great place to live. We want to get everyone involved so we are offering

A FREE ZITI DINNER

To all current members and to any new members paying the \$15 family membership for 2018. Bring your family (same household) also. Our goal is to reach everyone in the East End to unite us in making a difference. We hope this is an opportunity to get to know your neighbors and share the good things and work on the problems that we all face. We can and have made a difference when we combine our voices.

Please call 203-757-7379 (leave message) to RSVP to help with head count or for info. Walk ins will be welcomed.

Nov. 8, 2017 5-7 pm

WARC East Main St.

Please come and become part of making a difference just by joining and showing your support and have a free meal on us.
